

At Least \$100,000 in Working Capital (Guaranteed!)

WHO CAN BENEFIT

Entrepreneurs of pre-launch or early stage endeavors seeking working capital to start or grow a small business.

Our funding team can help any small business owner raise at least \$100,000 by meeting the business credibility factors required to get approved. Even if you have poor personal credit, we can help.

COST

There is no upfront cost. Zero to start.

Instead, we are paid based upon a percentage of your capital raise with a refundable deposit that isn't collected until after your first tranche of capital.

Contact us for more details.

**Contact us at:
info@investorfundingnetwork.com or call (833)
233-8637**

We are working with a 501(C)(3) non-profit organization that is administering a grant-subsidized program that guarantees working capital to start or grow a small business (regardless of credit or time in business).
